

## **'THE FIRM': A CHAMPION FOR JUSTICE**

By any reading 'The Firm' is one of Scotland's leading journals highlighting injustice and legal issues of importance.

Month after month it publishes articles that challenge the status quo and make us all think.

The coverage of 'Lockerbie' is an example of a determined and sustained media commitment to justice issues.

I would draw your attention to the following links that in my opinion prove this magazine's value.

In this case I have put my money where my mouth is and subscribe to 'The Firm'. I would urge others who are able to do so to support a magazine that leads the way in Scotland in highlighting injustice and the vagaries of our legal system.
