

THE SILENT WALK FOR JUSTICE

WELCOME TO JOIN THE SILENT WALK FOR JUSTICE 4 DEC 2008, 15.00-19.00

People are innocently put to jail, while the criminals walk free. Families are fighting for years and years to get crimes that were committed to their loved ones investigated, but in vain. So many persons are missing, and so many of them are young children. Children that died have had organs removed illegally. There are victims of crimes that are not compensated and cared for. People are robbed by the council, of the Common Good Land that was donated to them decades ago. There is violence against women, sexual abuse against children, lawyers cheating their clients, authorities withholding information and covering up, and so on. The list could be long and many of you reading this have your own severe cases to add.

You are all welcome to join The Silent Walk For Justice 2008. We will all meet at **15.00 p.m.** outside Edinburgh Castle. Then a lone bagpiper will signal and we will all walk together, the Royal Mile down from the Edinburgh castle, peacefully and in silence to honour our loved ones and stop at the Scottish Parliament.

Outside the Scottish Parliament we will all put down our pictures of the ones, or what we are fighting for, and we will light our candles and put them beside the pictures.

We will all stand behind the shrine with the pictures and burning candles. The bag piper will signal and The Cabinet Secretary of Justice Kenny MacAskill, or who will be sent in his place, will meet us outside.

The man and the woman representing the Scottish people will perform a short speech, and after that The Cabinet Secretary of Justice will make a short speech. The people's writing and name lists will be handed over to Mr MacAskill

The bag piper will signal and there will be a **SILENT MINUTE** for all the loved ones. Then the lone piper will play a Scottish tune.

The Cabinet Secretary of Justice will return into the Parliament building and the bag piper will signal for the journalists to step forward, take pictures and make interviews.

The pictures and candles must be removed and The Silent Walk For Justice 2008 will end at **19.00 pm**

The Silent Walk for Justice, must be absolutely peaceful and silent, we will let our pictures and candles speak for our mission.
